

1 QUALITY POLICY

1.1 Purpose

The SHEQ policy of OWL in the execution of its activities is aimed at striving for an optimum balance between the care for Quality, Health, Safety, Environment and profitable company.

1.2 Scope

This document applies to all employees of OWL. In addition, it applies to personnel contracted by OWL to complete work on their behalf. By the SHEQ policy, we aim to ensure providing services, which comply with the requirements and demands of industry and the clients.

1.3 Policy

OWL strives for continuous improvement of its performance in all SHEQ matters. In order to achieve this, the following objectives and targets are formulated to improve the quality, reduction of significant SHEQ-risks and environmental burden:

- OWL will carry out necessary quality control to make sure that no production failures occur.
- All OWL employees and sub-contractors work according to legislative, industry and OWL requirements for quality, health, safety and environment.
- OWL considers the occurrence of any accidents unacceptable and strives for zero accident level.
- OWL considers it unacceptable for environmental incidents to take place and implements reasonable measures to prevent environmental impact and thereby strive for zero environmental incidents.

In order to meet our safety and environmental commitments, OWL has setup a documented SHEQ-manual, which is reviewed annually.

Everyone in the organization is responsible for his or her own work in order to:

- Maintain and continuously improve the quality of our services.
- Take care of their own safety and that of others
- Minimize the environmental burden of their own activities as much as possible
